

Call for Participation

AXMEDIS 2007: 3rd International Conference on Automated
Production of Cross Media Content
for Multi-Channel Distribution

28th-30th November 2007

Universitat Politècnica de Catalunya, Barcelona, Spain

www.axmedis.org/axmedis2007/

You are cordially invited to participate at the AXMEDIS2007 International Conference, 28th – 30th November 2007, Barcelona, Spain. This will be a significant and exciting event on cross-media, production GRID, content protection, license interoperability, terminals, digital media, P2P, DRM (digital rights management), MPEG-21, OMA, multi-channel delivery, content modelling, security and distribution, legal aspects, accessibility, business models, transaction models, multimedia music, workflow, and many more.

Highlights of the AXMEDIS2007 include invited keynotes, many cutting edge research, scientific and technical presentations (see the conference website for details), state-of-the-art industrial presentations (call is still open) and tutorials and demos on AXMEDIS technologies.

Workshops include:

- 3rd i-Maestro Workshop on Technology Enhanced Music Education (call is still open)
- Technologies for Content Enrichment in the Web2.0 era, VARIAZIONI project

Panels include:

- Digital context, collective licensing and cultural diversity; the way forward
- Architectures for security and DRM, VISNET-II
- Rights Expression Languages Interoperability

The AXMEDIS2007 International Conference is a perfect occasion to meet the experts and practitioners from both industrial, and research institutes; European digital content providers, integrators, distributors, technology providers, market leaders and prestigious research institutions including DSI - University of Florence, Universitat Politècnica de Catalunya, ICSRiM - University of Leeds, BBC, PKU, SDAE, TEO, KTU, ETRI, EPFL, EUTELSAT, FHGIGD, Giunti ILABS, HP, AFI, SEJER, TISCALI, University of Reading, and many more. This event is supported by all the above mentioned institutions, the [MUSICNETWORK International Association](http://www.musicnetwork.org/), and the European Commission.

For registration and accepted papers for scientific and technical sessions, please see the conference website at www.axmedis.org/axmedis2007/. Don't miss the early registration discounts! Call for the industrial and application presentations and demonstrations is still open and submissions are due by 23 September 2007.

We look forward to welcoming you and wishing you a very stimulating and enjoyable experience at what we trust will be another excellent AXMEDIS Conference.

Best wishes from the
AXMEDIS 2007 Programme Co-Chairs
and Organising Committee
